

INTERNATIONAL FELLOWSHIP OF FLYING ROTARIANS
Scandinavian section
Vejle, 5th – 8th August 2021

Figure 1 Photo by Else Marie Jørgensen

Welcome to the land of the real Vikings. This time Vejle is the backdrop of the Scandinavian IFFR gathering. Vejle is the 5th largest city in Denmark located in the centre of the country. During the last decade Vejle has become a city of modern architecture which has enriched the community greatly. A balance of contemporary architecture and preserved traditional building

style comes greatly together in the town. Previously being the Danish Manchester in the early industrialization it is now a centre of modern IT technology, engineering of wind energy generators as well as being ranked as Denmark's most service-minded shopping town.

A stroll through Vejle offers a wealth of architectural impressions that showcase the city's rich heritage as well as its future-forward developments. The oldest building is the St. Nicolai Church from the mid-1200s, while Spinderihallerne, Den Smidtske Gård (merchant house), Vejle Town Hall and the Vejle Windmill are all from the 1800s. Adding to Vejle's exciting new impressions are the waterfront promenade, dockland canals, a floating kayak club, a marina, restaurants and contemporary residential estates, such as Bølgen (The Wave) and the latest addition Fjordenhus erected in the middle of the harbour.

Lego House.

After arrival at EKBI and a bite to eat, you will be brought to Lego House by car. Your luggage remains at the airport and will be loaded on the bus which will pick you up at 16:00 outside Lego House. Lego house is the latest addition to the Lego brand and has something for all ages. Do not miss the opportunity to discover this.

LEGO® House, "Home of the Brick", is the world's largest playhouse in Billund - the hometown of the LEGO brick. An area of 12,000 m² and filled with 25 million LEGO bricks, LEGO waterfalls and giant animals and plants. The house offers experiences for children of all ages, who want to develop creatively and explore the endless possibilities for learning through play through the LEGO brick.

Tours Friday

On Friday morning we set off for either a visit to the historic town of Fredericia, or for a breath-taking bridge walking experience.

Fredericia was founded by King Frederik III in 1650 as a fortification in a time where Denmark was riddled with conflicts and war. Until 1650, there was just a bare piece of swampy land where Fredericia today lies. A guide will show us the interesting sites and tell the story of this remarkable town that hosted a wide multicultural population from the beginning.

Do visit <https://www.visitlillebaelt.com/little-belt/city-culture/history> for more information about Fredericia.

Bridge walking at Lillebælt

Bridge walking, that is on top of the bridge, not just over it, is only available at 4 places in the world. The Bridge walking at Lillebælt is the only one in the northern hemisphere. The tour takes approximately 2 hours and you will experience a guided tour on the top of the bridge which was inaugurated on 14 May 1935.

As the bridge walking must be booked well in advance, we ask you to notify us at time of registration if you wish to attend this exclusive event. Do note that there is an extra fee of €50, - pp. to attend this event.

Visit <http://www.bridgewalking.com/> for further information and special requirements.

On the way back we will stop for Lunch at Hotel Munkebjerg nicely located “high” on the side of Vejle Fjord.

After lunch the bus will bring us back to Vejle where we will have a short walk along the harbour front to view the interesting contemporary architectural buildings here before returning by bus to our Hotel.

Friday evening, we will have our gala dinner, dress code is however smart casual, so no black tie is required. The dinner will be at Skyttehuset, which is an old pavilion just outside Vejle. Transportation will be provided both ways.

Event and tour on Saturday

On Saturday we will gather for a guided tour of Vejle. After the tour there will be some free time for fellowship, shopping and getting your lunch which is on your own.

At 13:00 we depart from the hotel to the “Home of the Viking kings” in Jelling, a UNESCO heritage site, just a short ride outside Vejle.

Jelling was the centre of power in Scandinavia in the late 10th century and up to 1100. Hear about our former King Gorm the Old and his son Harald Bluetooth. In Jelling we will have a guided tour of the mounds, the rune-stones, the stone ship and palisade and hear tales from Jelling’s amazing past. Visit the digitalised interactive museum. Learn about the history which has affected north Europe and part of Great Britain.

We return to Vejle by bus at 16:00.

At 16:30 the Scandinavian section will have the annual meeting. Location in the hotel to be announced. Dinner will be in the hotel at 18:30.

Preliminary Programme

August 5th Thursday

- 11-14:00 Arrival at Billund Airport EKBI [Link to official app charts](#)

- 18:30 Dinner at hotel Torvehallerne (drinks excluded)

Sunday 8th August.

- 8:30 Departure for Airport and return home.

The Airport EKBI

EKBI is the second largest airport in Denmark. It is fully equipped with both ILS and GNSS approach possibilities. Fuel is available both AVGAS 100LL and jet fuel. Although EKBI is a large airport, the controller and ground staff are very friendly and helpful towards GA.

Parking on grass will be available at the flying club area, this subject to the number of planes arriving. The parking is free at the flying club. When arriving ask for a taxi to the Flying Club at the south west end of the GA Apron.

<http://billundmotorflyveklub.dk/> (only texted in Danish)

If you prefer to park on the firm concrete apron, this is available for a fee. Parking is in front of the FBO on the south side of the airport, just a short stroll from the flying club. Further information will be given upon registration regarding security and access.

You may find all information of the airport at:

https://aim.naviar.dk/media/files/aesjocitghq/EK_AD_2_EKBI_en.pdf and
https://aim.naviar.dk/media/files/aesjocitghq/EK_AD_2_EKBI_en.pdf

Do explore the sites in the AIP at AIM Naviar to make yourself familiar with the airport.

A discounted price for T/O and parking is being negotiated with the airport authorities at this time.

Avoid overflying the city of Billund to reduce noise pollution.

Programme Cost.

Participation fee includes coach, tours, and dinners € 365, - pp. For Bridge walking there is an additional fee of € 50, - pp.

Hotel booking must be made directly with the hotel. IFFR has a block booking at the hotel for a discounted rate. Your booking should be made before June 5th, 2021 and secured by credit card. Please also quote booking code IFFR and booking no. 100543 when you make your booking. Do contact Trine Fredensborg at TF@torvehallerne.dk for reservation.

Best Western Torvehallerne. Denmark, Fiskergade 2-8, DK-7100 Vejle Phone: +45 79 42 79 00
E-mail: tf@torvehallerne.dk, [www](http://www.torvehallerne.dk)

Price for a single room is DKK 875, - (~€ 118, -) per night. A double room is DKK 945, - (~€ 127, -) per night, rates are including breakfast. Your reservation may be cancelled until 16:00 on the day of arrival.

The programme is subject to participation of not less than **40** persons.
